

What is SLS e-shop?

SLS e-shop is your one-stop destination for all your procurement needs. With a wide range of products and seamless browsing experience, we make sourcing and purchasing simpler and more efficient than ever before.

Why do we use SLS e-shop?

At SLS e-shop, we prioritize your convenience and satisfaction above all else. With features like live chat support, real-time stock availability checks, and the ability to view discounted prices upon login, we ensure that your shopping experience is smooth and stress-free.

Benefit of using SLS e-shop

- Convenient Currency Conversion:**
View prices in your preferred currency, including SGD, EURO, YEN, and USD.
- Enjoy tiered discount:**
Enjoy even greater savings as you shop with us. Benefit from tiered discounts based on your purchase value, rewarding you for your continued support and loyalty.
- Flexible Payment Options:**
Choose from a variety of payment methods, including Payment on Account (for credit term customers), bank transfer, credit card, and Paynow.
- Comprehensive Product Information:**
Searchable technical dimension/product specifications, access product images and download MSDS effortlessly. Presently, our e-shop offers 60,000 SKUs, with plans to expand to 120,000 SKUs as per our roadmap.
- Versatile Shipping Methods:**
Select your preferred shipping method, whether it's local delivery, self-collection, courier service (DHL) or sea-freight.
- Stay Updated:**
Receive timely updates on ongoing promotions.
